BETWEEN WHITE SETTLEMENT INDEPENDENT SCHOOL DISTRICT, on behalf of its
POLICE DEPARTMENT
AND THE CITY OF WHITE SETTLEMENT, on behalf of its POLICE DEPARTMENT**

THIS AGREEMENT is made and entered into by and between **WHITE SETTLEMENT INDEPENDENT SCHOOL DISTRICT (“WSISD”)** on behalf of its Police Department (hereinafter, “**WSISD PD**”) and the **CITY OF WHITE SETTLEMENT** on behalf of its Police Department (hereinafter “**WSPD**”), both parties being duly organized and existing under the laws of the State of Texas, acting herein by and through their respective governing bodies. WSISD PD and WSPD may be referred to herein individually as a “Party” and collectively as the “Parties”.

RECITALS

WHEREAS, pursuant to Texas Education Code 37.081, a school district police department and the law enforcement agencies which it has overlapping jurisdiction shall enter into a memorandum of understanding that outlines reasonable communication and coordination efforts between the department and the agencies.

WHEREAS, WSISD police officers shall have all the powers, privileges, and immunities of police officers on or off duty within the jurisdiction of the District. Subject to limitations in law, WSISD police officers shall have the authority to:

1. Protect the safety and welfare of any person in the jurisdiction of WSISD and protect the property of WSISD.
2. Enforce all laws, including municipal ordinances, county ordinances, and state laws, and investigate violations of law as needed. In doing so, WSISD police officers may serve search warrants in connection with WSISD-related investigations in compliance with the Texas Code of Criminal Procedure.
3. Arrest suspects consistent with state and federal statutory and constitutional standards governing arrests, including arrests without warrant, for offenses that occur in the officer's presence or under the other rules set out in the Texas Code of Criminal Procedure.
4. Coordinate and cooperate with commissioned officers of all other law enforcement agencies in the enforcement of Board policies as necessary.
5. Enforce WSISD policies, rules, and regulations on WSISD property, in school zones, at bus stops, or at WSISD functions.
6. Investigate violations of WSISD policy, rules, and regulations as requested by the WSISD Superintendent and participate in hearings concerning alleged violations.
7. Carry weapons as directed by the WSISD Chief of Police and approved by the WSISD Superintendent.
8. Carry out all other duties as directed by the WSISD Chief of Police or Superintendent.

WHEREAS, the jurisdiction of WSISD PD police officers includes all territory within District boundaries, as well as all real and personal property outside the boundaries of the District that is owned, leased, or rented by the District, or is otherwise under the District's control;

WHEREAS, the jurisdiction of the WSPD includes the areas listed in item #2 below;

WHEREAS, the WSISD PD and the WSPD have overlapping jurisdiction;

WHEREAS, the Parties desire to create a cooperative atmosphere between them and to assist one another in the notification and investigation of certain criminal offenses occurring within the territorial jurisdictions of the two entities; and

WHEREAS, creating a cooperative atmosphere and effort will assist the Parties in carrying out their respective responsibilities and mission to serve the citizens of the City of White Settlement and the White Settlement Independent School District.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that in consideration of the mutual covenants, agreements, and benefits to all Parties, it is **AGREED** as follows:

1. **ASSISTANCE TO WSISD PD.** During the term of this Agreement, WSPD agrees to provide, upon request of the White Settlement ISD Police Department to the White Settlement Police Department, such law enforcement personnel and such available equipment or facilities as may be requested for the investigation or suppression of crime within the jurisdictional areas of WSISD PD; provided, that the requested personnel, equipment, or facilities are not otherwise engaged or required by the White Settlement Police Department, as determined by the Chief of Police, or designee, of the White Settlement Police Department, and subject to the other provisions contained herein.
2. **JURISDICTION.** WSPD will retain primary jurisdiction over non-White Settlement ISD property and streets subject to such assistance as may be requested of WSISD PD. Furthermore:
 - a. The White Settlement Independent School District Police Department and the White Settlement Police Department will have concurrent jurisdiction on property belonging to, leased, rented, or otherwise under the control of the school district within the city limits of the City of White Settlement, Texas.
 - b. White Settlement ISD Police will have primary jurisdiction and responsibility for all offenses that occur within the school district property. In addition, White Settlement ISD Police will be responsible for investigation of all traffic crashes that occur on school property or involving school district vehicles, including students, staff, visitors, school buses, and maintenance vehicles. WSPD will make reasonable efforts to inform WSISD PD if WSPD has knowledge that any of the aforementioned has occurred.

- c. White Settlement ISD Police may request additional assistance, as needed, for incidents that involve major crime scenes, complex criminal investigations, violent encounters, and critical incidents that occur within concurrent jurisdictional boundaries.
 - d. White Settlement ISD Police may request WSPD assistance outside of the City of White Settlement that are within the boundaries of the White Settlement ISD, including the primary territorial jurisdiction of the City of Fort Worth or unincorporated portions of Tarrant County.
 - e. The White Settlement Police Department maintains an Interlocal Cooperation Agreement, which establishes concurrent enforcement jurisdiction between the City of White Settlement and the City of Fort Worth, Texas.
- 3. **PROPERTY.** WSISD PD shall be responsible for providing WSPD with an up-to-date and current list of all properties owned, leased, or under the control of the WSISD that are within the jurisdiction of the WSPD. This list will include the property name and street address.
- 4. **COMMAND AUTHORITY; TACTICAL UNIT OR MAJOR CASE RESPONSE.** Because the parties hold concurrent jurisdiction within the City of White Settlement and in the spirit of cooperation and most efficient response and use of resources, the parties agree that WSPD will have control over the incident in all cases where it has assumed primary jurisdiction, or until relieved by an appropriate law enforcement entity. White Settlement ISD Police will assist at the request of the White Settlement Police Incident Commander. WSPD shall respond to such requests accordingly if the Chief of Police, or designee, deems reasonable and resources are available for deployment. White Settlement Police officers will notify the WSISD Police Department through WSPD Dispatch Services prior to their presence at a scene, and upon arriving at the scene, a WSPD Incident Commander will notify and seek an update from the WSISD PD's on-scene incident commander, if one has been identified. WSISD PD and WSPD will establish a Unified Command structure with WSISD PD maintaining overall command. In the event an incident requires a tactical unit or major case response, including but not limited to, an active shooter, homicide, kidnapping, suicide, death, or serious bodily injury, the WSPD Incident Commander will assume command of the scene until it is determined command can be transferred back to WSISD PD.
- 5. **OPERATIONAL PROCEDURES AND GUIDELINES.** Subject to approval by WSISD's Superintendent and the City Manager, the Chief of the WSISD PD and the Chief of Police may enter into mutually agreed upon specific and detailed operational procedures and guidelines concerning the terms of this Agreement. The Parties will comply with the National Incident Management Systems (NIMS) as set forth by the Department of Homeland Security and incorporated by reference in Texas Government Code Section 418.1152.

6. **MEDIA.** In the event where WSPD is involved in a joint investigation with WSISD PD regarding incident(s) pertaining to students, district employees, or crimes involving WSISD property, the WSPD shall notify WSISD's Communications Department, prior to releasing information to the media or public, in such joint cases where the investigation involves the mutual interests of both WSPD and WSISD PD. WSISD will be responsible for responding to Public Information Act requests that are directed toward WSISD PD and seek WSISD PD records. The City will be responsible for responding to Public Information Act requests that are directed toward WSPD and seek WSPD records. Prior to either party releasing information to the media regarding an incident in which both WSISD PD and WSPD were involved, the Party will notify the other Party prior to release of such information and will ensure that all state and federal laws are followed, including those related to student privacy.
7. **WSPD ARRESTS AND SEARCHES ON WSISD PROPERTY.** WSPD officers desiring to make a felony warrant arrest on WSISD property shall contact the WSISD PD to coordinate warrant service on WSISD property. A WSISD PD officer shall accompany an WSPD officer when executing such a felony arrest warrant. No arrest will be made while the subject of the warrant is attending class, but the officers may make an arrest after the subject leaves the classroom, taking into consideration the safety of bystanders in the immediate vicinity and disruptions to the WSISD campus. When executing a search warrant on WSISD property, an officer of WSISD PD will accompany WSPD officers executing the search warrant.
8. **STATUS OFFENSES.** WSPD personnel shall not respond to or investigate status offenses or enforce WSISD Board policies or Code of Conduct rules that regulate student behavior and activities that are designated as non-criminal in nature on WSISD properties.
9. **WARRANT ENTRY.** Criminal warrants approved and obtained by WSISD PD will be provided to WSPD for entry into the criminal justice information system ("CJIS"). All CJIS protocols and requirements shall be adhered to.
10. **RECORDS MANAGEMENT SYSTEM.** WSPD reserves the right to require any agency that is subject to a memorandum of understanding that includes the housing of inmates, to acquire said system that is compatible with existing WSPD information systems to ensure the effectiveness of jail oversight and management.
11. **PROPERTY AND EVIDENCE.** Property acquired by the WSISD PD, including evidence in criminal investigations handled by WSISD PD, shall be retained and secured by the WSISD PD and stored within the appropriate WSISD PD facilities. When WSPD is primary on a criminal investigation, WSPD personnel will retain and secure property and evidence in accordance with WSPD regulations. Should the WSISD PD request the assistance of the WSPD Evidence Unit for the purpose of collecting and preserving evidence, WSPD shall be granted control of the crime scene as of the time of initial response to the request. The WSISD PD will support and assist the WSPD Evidence Unit as directed by the WSPD

officer in charge at the scene WSPD may assume the responsibility for investigating and case management of the incident.

12. **COMMUNICATIONS.** WSISD PD shall maintain and operate their own police radio system. Both parties agree to share primary radio frequencies to further collaboration and scene responses during incidents that WSPD and WSISD PD mutually respond to.
13. **CITY OF WHITE SETTLEMENT POLICE BUILDING ACCESS.** WSPD may grant access to secure portions of the law enforcement center to WSISD PD personnel through a keycard access system.
14. **INTELLIGENCE SHARING.** WSPD and WSISD PD agree to provide intelligence related to criminal endeavors that occur on school property or impact school property to the extent allowed by law, as available, and share intelligence information regarding campus crime. 15. **EMPLOYMENT STATUS.** While any law enforcement officer, who is regularly employed by a WSPD, is in the service of WSISD PD pursuant to this Agreement, the officer shall continue to be an employee of the WSPD, with all of the powers of a regular law enforcement officer in such other jurisdiction as fully as though they were within the jurisdiction where the officer is regularly employed, and their qualification, respectively, for office where regularly employed shall constitute the officer's qualification for office in such other jurisdiction, and no other oath, bond, or compensation need be made. WSISD PD and/or WSPD shall each remain responsible and liable, to the extent allowed by law, for the actions and inactions of its own employees.
16. **EQUIPMENT AND FACILITIES.** When requested to assist WSISD PD, properly trained WSPD personnel shall have access to all equipment and facilities available for use by WSISD PD.
17. **NOTIFICATION OF ARRESTS.** A law enforcement officer assigned by WSPD to assist WSISD PD under this Agreement, when a request for assistance has been made, may make arrests outside the jurisdiction in which the officer is employed but within the jurisdiction of the WSISD PD, as contemplated by this Agreement. However, WSISD PD shall be notified of any arrest made by WSPD officers in its jurisdiction without delay. Peace officers employed by the parties to this Agreement shall have such investigative law enforcement authority in WSISD PD's jurisdiction to reasonably accomplish the purpose for which the request for assistance is made under this Agreement.
18. **COMPENSATION RESPONSIBILITIES.** Each Party to this Agreement shall be responsible for all salaries, benefits, workers compensation, and other compensation, costs, and expenses due and attributable to that Party's own personnel, equipment and facilities that are assigned and made available to the WSISD PD hereunder, unless otherwise

Hello all,

I am writing to you all, the leaders and administration of our city, after an experience that occurred at the municipal complex this morning.

It is my hope that we can share the experience of our volunteers and city employees today, and turn it into an opportunity for proactive safety measures to be taken.

While doing litter control, one of our group's volunteers came across a used needle, being stored in a water bottle and stashed underneath the meadowpark bridge.

She came to me, inquiring if we had a sharps container on site. I was unsure, so I escorted her to city hall so that we could inquire with Cathy. It turns out that there are no sharps containers on the property. Cathy contacted the WSPD nonemergency line and requested that they come retrieve and dispose of the needle.

The volunteer and I waited outside for quite some time. I would estimate 20-30 minutes, during which we were growing more anxious. We were worried that the owner of the needle might come back looking for his stash. WSPD finally arrived and disposed of the needle in a sharps container that they had brought along.

After this incident, the volunteers and city employees began discussing the drug baggies, and other paraphernalia that has been found on the property, and how today highlighted that there is no safe, secure, or discreet way of disposal for these items.

It is my hope that the CCPD or City Manager fund will consider funding the cost of a biohazard disposal unit to be installed in the area. Not only do we have seniors that might be insulin dependent, but the vagrants and drug use on the property will not be an issue that will disappear overnight. This is but a proactive measure we can take to create a safer environment for everyone who utilizes this campus.

I would suggest installing one next to a water bottle refill station, so that passersby will know of its existence - Maybe on the South wall of the chamber of commerce where the area needs to be repaired and structurally reinforced anyhow.

I will link studies that show that these units decrease dangerous exposures, as well as pictures of units for example. Again, please note this is not just an aesthetic issue, this is one of safety. I am very grateful that one of our volunteers found this syringe and not a curious child playing down there. I hope this request is taken seriously. It takes a mere speck of fentanyl from a baggie or a small prick of a finger to kill an adult or child, or to spread serious disease.

Thank you & Regards,
Marcie

**INFORMAL REPORT
TO Honorable Mayor and Council**

BOARD APPOINTMENTS

City Council Meeting Date: December 6, 2022
--

ISSUE

Board and Commission appointments are made in February, annually, according to the board position term dates with the exception of the EDC Board, Holiday Parade Committee and Charter Review Committee, and other boards as requested by staff.

DISCUSSION

Staff requested applications for the Park and Recreation Board due the number of vacancies on the board. Applications have also been received for EDC. These could be appointed to the two seats currently held by elected officials, if the council so desires. One application has been received for appointment to the Holiday Parade Committee from Mayor Pro Tem Spurlock, who currently sits on the committee. The appointment would remove her as an elected official member to be for a citizen term. Applications have been received for the Charter Review Commission. Members to this board should have knowledge of local government, city charters, and the charter amendment process. Members must also be available to attend and participate in the six meetings scheduled for the board. Applications for the above mentioned boards follow this memo.

ACTION / RECOMMENDATION

Appointment of applicants the council finds best suitable for the position.
